Progress Through Unity

Vote Yes on Issue 12 - NO INCREASE IN YOUR TAXES

Moraine is a great community. We're proud to live here. We have no property tax levys.

*On May 7th, we must join together to support the **NO TAX INCREASE** Issue 12,
keeping Moraine services the best in the Miami Valley.*

**Non-Residents pay the
majority of the Income Tax!**

INCOME TAX
DOES NOT
TOUCH SENIOR
CITIZENS PENSION OR
NON-WAGE INCOME

KEEP YOUR **FREE** SERVICES

- Trash service
- Large trash pick up
- Street improvements
- Sidewalk repair
- Ambulance & emergency services
- Safety services
- Community events
- Snow removal for senior citizens

**Moraine residents expect and
demand excellent services, which
we've always had. Great Police,
Fire and Street Divisions along
with all other Departments.**

VOTING **YES** MEANS THAT
YOU CARE ABOUT YOUR CITY
& YOUR NEIGHBORS!

KEEP MORaine SERVICES WORKING FOR YOU!

April Showers Bring May Flowers

Spring is finally here and summer is just around the corner. All of those bitterly cold and snowy days of winter are just a fading distant memory. Spring and summer bring back green grass, trees and flowers. With all this beauty also comes work. Please remember these few property maintenance codes which Moraine has put in place so everyone can enjoy the beauty of the outdoors this summer.

- Grass, all exterior property areas shall be maintained free from weeds, plants, vines, grass or other vegetation in excess of 8 inches in height.
- Parking, all vehicles must be parked in designated parking areas, all parking must be on a hard paved surface such as gravel, blacktop or concrete.
- Outdoor storage is not permitted in residential districts. Such storage items may include, but are not limited to: bicycles, lawn mowers, automotive repair equipment or parts and construction materials.
- Driveways and sidewalks should be kept clean and free of grass and weeds.
- Trees, plants and shrubbery should be kept so it has a clear height of 8 feet above sidewalks and 14 feet above streets. All dead sections should be removed as well as any limbs touching your roof. They can cause damage to your shingles. Bushes and hedges in the front yard must be kept so they do not exceed 4 feet in height and be 3 feet from the lot line.
- Do not place garage sale signs in the right of way or attach them to poles or street signs. They will be removed! Post the days of your sale with the actual dates ie: April 26-28.
- Trash cans must be kept out of view until 24 hours before and after its scheduled pick up. Trash must be placed in approved containers with a lid.

Please remember, keeping your yard well-kept will make our City a more beautiful place for everyone to enjoy this summer. Questions and comments are always welcome; please contact your Building and Zoning Department at 535-1038 or e-mail to twenzler@moraineoh.org.

Rotary Donates Dictionaries

Members of the Rotary Club recently donated over one hundred dictionaries to fourth graders at C.F. Holliday Elementary School in Moraine. The school is one of five local elementary schools that receive dictionaries from the club every year.

"We told the students that Moraine Rotary stands for service. We had all of the kids look up the word "service" and asked them what acts of service they could perform in their neighborhood, at home and at school to make a positive difference," stated Rotarian Rosie Miller.

CEREMONY

The ceremony will be held at the Memorial in front of the Municipal Building on Monday, May 27 at 11am and is hosted by Mayor Elaine Allison. The engraved bricks recently added to the pathway will be recognized as well as honoring our veterans who have served our country during war and in peacetime.

Residential Large Trash Pick-Up

Listed below are the guidelines for large trash pick-up, along with the dates the Street Division will be in your neighborhood. Please note: several trucks from the Street Division will be picking up the disposed items separately. The Street Division asks residents to assist in separating their disposal items. This service is not provided to businesses in the City.

Items Not Acceptable:

55 gallon drums, household garbage, asbestos material, swimming pool chemicals, pesticides, herbicides, fertilizers, photographic chemicals, propane tanks, fuel, oil, gas or oxygen tanks, compressed cylinders

Acceptable Items and Guidelines:

- Tree trimmings and/or brush must be no longer than 8 feet in length. We ask that residents stack all brush at the curb neatly with the butt end facing the street so that it may be easily loaded into the chipper. Please keep all brush separate from all other disposal items.
- Paint, batteries, motor oil, metals and appliances containing freon. Please keep all these disposal items separate.
- Tires should also be kept separate from all other disposal items. Only a total of eight truck and car tires will be accepted for disposal. Tractor tires will not be accepted.

Police Division Joins Light Ohio Blue

The Police Division has joined the Light Ohio Blue campaign to show and generate support for law enforcement personnel who protect our communities throughout our great state.

In 1962, President John F. Kennedy signed a proclamation which designated May 15th as Peace Officers Memorial Day and the week in which that date falls as Police Week. The Light Ohio Blue campaign coincides with activities associated to Police Week. This year's dates are Wednesday, May 8th through Thursday, May 16th.

Businesses and residents in Moraine are encouraged to show their support for law enforcement officers who have died in the line of duty and those currently serving, both sworn and civilian staff.

How can you help Light Ohio Blue?

- Place a blue bulb on your exterior porch light;
- Wrap blue Christmas lights around your home or business;
- Light up your entire home or business with blue flood lights;
- Place blue ribbons on your mailbox, nearby columns or posts;
- Wear Blue on May 15; and
- Tell your friends, family and neighbors what you're doing, and post a picture to social media using #LightOhioBlue

Please join us to show support for law enforcement and help light Ohio blue!

For more information please visit <http://www.lightcentralohioblue.org/> or follow us at <https://www.facebook.com/MorainePD/>.

Congratulations to the Creeper aka Dave Miller for making The Horror Host Hall of Fame class of 2019!

Dave started the Moraine Playhouse Theater series back in 1988 and has produced over 30 "B" movies. His involvement with the community is unsurpassed and the City is proud of this unique accomplishment.

To celebrate the 20th anniversary of the series, we have episodes of the series on our YouTube channel.

Research, Discover and Uncover Moraine's History

Dayton Air Institute

One of Moraine's Historical Markers is Moraine Field which in 1926 became Dayton's first Municipal Airport. The marker is located near Springboro Pike and Northlawn Blvd. just north of the Fuyao Glass America plant. Moraine Field was co-owned by pilot Bernard Whelan who was trained by the Wright Brothers and co-owner Howard Rinehart who test piloted airplanes for the Dayton-Wright Airplane Company located further south on Springboro Pike in Moraine. Moraine Field remained in private hands and served as Dayton's "official airport" until 1928 when airmail service was switched to Wright Field in Dayton.

In June 1929 the Moraine Flying Field became the Dayton Air Institute Inc. where students could enroll in a course for the complete study of aviation with actual flying lessons. A 1929 photo shows the first 40 students who enrolled at the Air Institute.

As the Wright Brothers fame spread, Dayton became a hot bed for pilot training as many schools of aviation sprang up. Vintage magazine ads stated "Take your place in Aviation today", "Learn Flying in Dayton, Ohio where Aviation was Born!" It is unknown how long the Dayton Air Institute was in business in Moraine, but the site was still listed in a 1939 map of Moraine.
