City Construction Update:

Updated information regarding construction zones will be posted on the City's social media pages.

2022 Concrete Program

The City will be replacing curb and curb ramps in German Village. All work is expected to be completed by Fall 2022. Concrete curb and sidewalk repairs in Moraine are not currently assessed to the property owners.

2022 Paving Program

The City will be resurfacing Charlotte Mill Drive, Loveland Court, Pinnacle Park Drive, Parallel Road, Paris Drive, Sellars Road, Angus Lane, and Herford Trail. A large repair will also be made on the north end of Arbor Blvd, near Carillon Blvd. All work is expected to be completed by Fall 2022.

2022 Concrete Pavement Program

Concrete pavement will be replaced at the southern intersection of Dryden Road and East River Road. New concrete pavement will be installed on eastbound Stroop Road at South Dixie Drive and on westbound Northlawn Avenue at Dryden Road. All work is expected to be completed by Fall 2022.

Dryden Road North Resurfacing

Dryden Road will be resurfaced from Kreitzer Road to the City's north Corporation limit. Curb repair, sidewalk and curb ramp installation, and a traffic signal replacement at Dryden Road and East River Road are also included in this project. This project is partially funded by a federal grant through the Ohio Department of Transportation and MVRPC. This project is also partially funded by an Ohio Public Works Commission Grant. All work is expected to be completed by October 2022.

Cobblegate Drive Improvements

This project has been delayed until 2023. This project is partially funded by a Community Development Block Grant through Montgomery County.

City Crack Sealing Program

The City will be conducting crack sealing operations on thoroughfares and main roads throughout the City in 2022. This will help prolong the life of our roadways. This is a rolling operation and moves very quickly. Please follow the directions of work crews and respect the construction vehicles. This project is expected to be completed by Fall 2022.

For questions about roadway construction, please contact Alisha Burcham, City Engineer at 937-535-1031.

Fireworks Safety

FIREWORKS are often used to mark special events and holidays. The only safe way to view fireworks is to attend a professional show. With many professional firework shows being canceled this year, it is important to know that **fireworks are not safe in the hands of consumers**. Fireworks cause thousands of injuries each year.

A few ideas to get into the patriotic spirit, without fireworks:

1. Use glow sticks, they glow in the dark and are a safe alternative to a sparkler. Fun for all ages.
2. Loud and proud. Noise makers are sure to make a statement. They can be found at local party supply stores or make your own.
3. Outdoor movie night. Set up a screen and projector. Don't forget the bug spray!
4. Red, white and blue silly string ... fun for all ages.
5. Make a patriotic craft with the family.
6. Throw a birthday party for the USA, and don't forget the cake.

FACTS

- ! More than 19,500 reported fires are started by fireworks annually.
- ! Burns account for 44% of the 9,100 injuries treated in emergency rooms seen in the month around July 4.
- ! Half of the fireworks injuries seen at emergency rooms were extremities: hand, finger, or leg. One-third were to the eye or other parts of the head.
- ! Children ages 10–14 had the highest rate of fireworks injury, with more than one-third (36%) of the victims of fireworks injuries under age 15.
- ! Sparklers account for roughly one-quarter of emergency room fireworks injuries.

Practice HEAT SAFETY Wherever You Are

Heat related deaths are preventable.
Protect yourself and others from the
impacts of heat waves.

Job Sites

Stay hydrated and
take breaks in the shade
as often as possible.

Indoors

Check up on the
elderly, sick and those
without AC.

Vehicles

Never leave kids or
pets unattended -
LOOK before you LOCK

Outdoors

Limit strenuous outdoor
activities, find shade,
and stay hydrated.

Brown Receives Lifetime Achievement Award

At this year's Moraine Airpark Sunday Fun-Day Fly-In, Moraine's very own Mike Brown received a lifetime achievement award from the Federal Aviation Administration.

The Wright Brothers Master Pilot Award was presented to Mike. The award is issued for achieving 50 years of excellent flying.

Mike grew up on Fulton Avenue as a child and learned to fly at the Moraine Airpark. He has flown everything from historic war planes to stunt planes to modern corporate jets. However, his most notable piloting job was flying the daily stunt show at King's Island with former Moraine Mayor Harold Johnson.

He still flies out of the Moraine Airpark and lives in the area.

Congratulations, Mike!

Summer Just Got Sweeter!

Jubie's Creamery opened at 2749 West Alex Bell Road on May 12. The creamery offers a variety of ice cream and is open every day from 12pm-10pm.

Jubie's Creamery has 32 flavors of homemade ice cream which includes, Choc-A-Lot, its nationally acclaimed flavor and a soft-serve custard. The Creamery also offers scoops, sundaes, shakes, blasts, parfaits and much more.

RESEARCH, DISCOVER AND UNCOVER MORAINE'S HISTORY

DAYTON WRIGHT AIRPLANE COMPANY & THE WOMEN'S SUFFRAGE MOVEMENT

Written by: Dave Miller

Remember Rosie the Riveter - the World War II symbol of women in the workplace and their fight for independence? Women played a huge part in helping to win World War II. The women were nurses, WACS and worked in the important industrial plants producing munitions and related war supplies. Men sent to the battlefields in WWII created a large shortage of workers and women filled that gap in factories and shipyards.

However, near the end of World War I women also filled a large role working in positions previously closed to them. In 1917, the 19th Amendment (pertaining to voting rights for women) was still 3 years away from being ratified by the Federal Government, but the women's suffrage movement had been going on for some time. Two major components beyond the right to vote were for women to have equal access to education and employment.

The Dayton Wright Airplane Company (on Springboro Pike in Moraine) is a good example of the culture of the times in terms of women's employment. A Dayton Herald newspaper article dated July 14, 1917, had the blaring headline, "No Decision on Employment of Working Women - Opinions Differ Over the Best Employees in Factories Making Airplanes for War." The article states that no decision had been made yet whether to employ women on the production line or depend largely on expert mechanics. Dayton Wright officials, Charles Kettering and H. E. Talbott, visited the Royal Flying Corps field in Toronto, Canada and inspected the airplane factory there. Although leaving undecided, they then investigated a New Jersey airplane plant where 60% of the workforce were women making airplane wings.

Dayton Wright management wisely concluded to use women and set a goal of having at least 35% women working as soon as the plant shops were enlarged. They expected thousands to be working on airplanes within a few months. The photos show women working in various capacities on engines, wings and fuselage of America's first bomber aircraft, the De Havilland DH-4. Plant managers praised women workers for their light touch and careful manipulation of sensitive machines. Overall, 3,106 bombers were made at Moraine's plant by the end of World War I. The success can be attributed to the hard-working women who filled in and kept war production going.

National Night Out will be held Tuesday, August 2, 2022 from 6pm-8pm. The entire event is free to the public and will include inflatables, slip n' slide, kids vs. cops water balloon fight, food, free prizes and much more. This event is a wonderful opportunity for all citizens to interact with Police, Fire and local business partners.

MOVIE NIGHT

Location: Wax Park
Date: Friday, August 5
Time: 9pm
Cost: FREE

Join us in Wax Park to wrap up summer with our second outdoor Movie Night this year on Friday, August 5th! We will be showing a movie that the whole family will enjoy. We recommend that you bring your own chairs or blankets, as the event will be outdoors in the grassy area of Wax Park.

Light refreshments will be provided. For more information, call (937) 535-1060.

SCHOOL SUPPLY GIVEAWAY

PRC Meeting Room
Monday, August 1
Pick Up Time: 11am – 1pm

Parks and Recreation is providing free bags of school supplies for children this August! These bags will include some of the main school supplies your child will need for their upcoming school year.

There will be a limited quantity of bags available, and they will be divided among four different school-aged categories. The supplies provided are subject to change and are only available while supplies last. Please call (937) 535-1060 for more information.

Free for school-aged children

- preschool/kindergarten (3-5)
- elementary (6-10)
- middle school (11-13)
- high school (14-17)

Registration dates are Monday, July 11th – Thursday, July 28th (or once supplies run out). **Registration is required online to be eligible to receive a bag.**

Create an account or log in to your existing account and register at moraineparkandrec.com.

Pick up is Monday, August 1 from 11am-1pm. Your child(ren) must be present at the time of pick up.

MORaine FISHING WEEK

Jim McGuire HOOK KIDS ON FISHING

July 15 • 6:00p
Deer Meadow Park

Kids get the chance to learn about local fish and catch some of the species that live in Deer Meadow pond. Bring your own fishing poles and bait. We will serve hot dogs & bottles of water at the end.

Fishing Derby

July 15 - July 22

Deer Meadow Park

Anytime between July 15th – July 22nd, use the QR Code and enter your catch.

Participants will be entered into a drawing for prizes, such as games, kids fishing gear, & tickets to local attractions for your family to enjoy.
