Fall Fitness Programing Information

Letter From The Director:

With gas prices still high, stay close to home and recreate with us. Here are just a few of our great programs!

We have all the fitness equipment and classes plus an indoor walking/jogging track to help you get in shape and stay in shape all fall and winter. Our staff will help you accomplish your long put off fitness goals so that by next spring, you will be healthier and feel better than you have ever been.

Moraine Businesses.....contact Colby Blair at 535-1077 to set up free visitation days at the Payne Recreation Center and learn about special discount membership rates for all of your employees. Studies show that employees who are more fit are more productive at work, miss fewer work days and you can save on health care benefits as well!

Birthday Party fever – call Pam Cansler at 535-1070 to reserve either the elementary room or the teen room to hold your child's birthday party. Youth can enjoy age appropriate foosball, billiards, air hockey and other games in each room. You can bring in your own cake, refreshments and pizza.

Scary October - in addition to many Halloween special events, bring a friend and attend "Slash Moraine". Expanding to three weekends, Splash Moraine Waterpark is transformed into a land of scary creatures, lurking ghouls and unseen terror.

Beautification Awards – the Park & Recreation Board drives throughout the city and selects homes and businesses for their outstanding decorations during the Halloween and Christmas holidays. Make our city festive this fall. Decorate and join the fun!

Don't forget, thanks to Moraine City Council, Moraine youth age 14 and under are eligible for free season passes to both the PRC and Splash Moraine providing you have a valid resident card. So take advantage of all the classes, special events, leagues and other programs that are offered this fall.

If you have any new program ideas, concerns or suggestions, contact me at 535-1062.

Mission Statement

Parks and Recreation Division is responsible for the development, promotion, and implementation of a comprehensive recreation program through quality facilities and parks so that all citizens have an opportunity to participate and enrich their lives through meaningful leisure time experiences.

City of Moraine Resident Cards Residency has many benefits!

A resident is anyone who resides in the corporate limits of the City of Moraine. Even though you pay City of Moraine taxes or live in the Moraine zip code area, you may not be a resident. If you have a residency question, please call 535-1030.

Effective since January 1, 2007, a resident card is available for purchase at the Payne Recreation Center, during membership room hours only. This card will allow a resident to purchase a daily admission to the Payne Recreation Center or Splash! Moraine at the resident rate. This will be your proof of residency for daily admission, season passes, facility reservation and/or program registration. A resident card is \$2 each, \$5 for a family of four or more.

At the time of purchase, proof of age and two proofs of residency (driver's license/state identification card, current water bill, other current utility bill with a Moraine address) are required.

Individuals under the age of 16 years old must be accompanied by a parent or guardian and present a birth certificate (if not already on file) at the time of purchase.

If you have any questions or concerns, please contact the Recreation Center office at 535-1060.

Payne Recreation Center Class Descriptions

Cardio/Sculpt

Monday & Wednesday

9:30 a.m.

Like variety? This is the class for you. Each class consists of 25 minutes of cardio exercise presented in various ways, such as step, Zumba, ball, etc. After your heart has had a work out, your muscles will be challenged by 25 minutes of resistance work, utilizing different pieces of equipment. Instructors will tailor the class to meet the needs of all levels of fitness. A great all over workout in just 60 quick minutes.

Lunch Workout

11:30 a.m.

No time to work out before and after work? Join us during your lunch time! We are offering 2 different classes Monday through Thursday. On Monday and Wednesday join us at 11:30 for Zumba. This class is an excellent way to exercise and have fun. Tuesday and Thursday's enjoy Functional Strength. Class is a great way to tone and strengthen muscles AND burn more calories not only during class but after your workout also.

Killer Floorwork

Tuesday & Thursday

5:30 p.m.

Want to use more calories at rest? The only way to do that is to build more muscle. The focus of this class is to assist you in obtaining a physique that others would "kill" for. Using different pieces of equipment to aid in making class fun, the instructors will work only on shaping and improving muscle mass. Women, you will NOT become muscle bound, but will be very pleased with how your clothes fit for those summer Parties right around the corner.

Zumba

Saturday

10:00 a.m.

ALL AGES AND ABILITIES ARE WELCOME. Don't be left out in the cold, come and join the newest fitness craze to hit the Miami Valley! Zumba is a mix of movements from Latin dances and music. It is equal part dancing and aerobics and will burn between 500 and 700 calories per class.

Mat Pilates

Wednesday

5:30 p.m.

Pilates is a technique designed 70 years ago by Joseph H. Pilates. Instead of the "fast" pace of a regular exercise class, Pilates focuses on improving flexibility and strength in a slow and controlled manner. This class incorporates the body-mind connection helping you focus on muscle, and their use.

Turbo Kickboxing

6:30 p.m.

Back by popular demand! This is an exciting class that provides the heart-healthy benefits of cardio exercise, while offering gains in agility, strength, balance and coordination that can be achieved through martial arts. No prior experience is necessary..

20/20/20

Saturdays

9:00 a.m.

Want to get a total body workout in one class? 20/20/20 is designed to give you 20 minutes of cardio exercise, 20 minutes of sculpting and 20 minutes of core conditioning/stretching. Kick start your weekend with this fun class.

ALL CLASSES ARE DESIGNED FOR BEGINNERS TO ADVANCED. PLEASE LET THE INSTRUCTOR KNOW YOUR LEVEL AND THEY WILL BE GLAD TO ADJUST THE WORKLOAD TO FIT YOUR ABILITY.

Lunchtime Aerobic Classes

Do you work in the area? Maybe belong to another gym but would really like to make your lunchtime productive? Come join us for lunch! On Monday and Wednesday's we offer an action packed ½ hour of Zumba. Balance out your workouts on Tuesday and Thursday's with Functional Strength. This ½ hour class places emphasis on strength and toning. Certified instructors instruct all classes. Understanding that you may not want to "join" another fitness facility, we are offering a NEW punch card designed for lunchtime classes. Cards are \$40 for 10 lunchtime visits. Cards must be presented at each class. Questions, please call Pam at 535-1076.

LIFT – Ladies Independent Free Weight Training

Monday & Wednesdays

7:30 p.m. – 8:30 p.m.

Some of us are afraid of the monster under the bed, some see the boogiemani in the closet, and OTHERS are afraid of the weights in our weight room. Come master your fears, gain support from other women and get a jump-start on being able to wear that "little black dress" for the holiday parties. By lifting weights you increase the strength of your bones, muscles and connective tissue, which will decrease the risk of injury. Most adults will lose about ½ pound of muscle every year after the age of 20. By participating in resistance training just twice a week, you can stave off that loss and increase the muscle mass you have. Muscle tissue uses more calories at rest, which will help you maintain a healthier body weight. Also, increasing your muscle mass will increase your ability to complete your daily tasks, from mundane household chores to hiking, biking and playing with the kids. This class is free to pass holders or non-member drop in fee. **Class will consist of actual exercises and warm up time; cool downs are the participant's responsibility.** Come and put in some mileage, then join our class. Class is designed for all levels and exercises will be adjusted for all. Just remember you need to work at your own pace.

Walking, Jogging or Biking Milers Club

Record the mileage you walk, jog, or bike in the card file located in the fitness center at the Payne Recreation Center or at Gerhardt Civic Center's front desks. Participation is FREE and as you add your miles up, improve your health and fitness, you will be eligible to receive rewards as you reach milestones. Awards are given at 100, 300, 800, and 1500 miles and may consist of water bottles, T-shirts, fanny packs, fitness bags. Mileage may be used from any of the cardio equipment located at the Payne Recreation Center (track, treadmill, bikes, rowers). Also any mileage accumulated from our city parks; Ora Everetts and Deer Meadow Park (1 lap = ½ mile), River Corridor Bikeway and the Main Street Bike Path. Mileage is counted for the calendar year, and all that is required to participate is to write your mileage down.

Youth Mileage Club

To encourage our youth to make fitness a part of their life, we are offering a separate youth mileage club. Youth are able to use the PRC track during the hours listed, however, please remember they must have an adult with them on the track.

Mileage awards for those 7 – 12 will be 25, 50, 75 and 100 miles. After 100 awards will go up in 100-mile increments. Cards will be available in the weight room to keep track of your progress.

Indoor Track Running Policy

1. Direction is changed daily, please follow the sign
2. Baby joggers, strollers, roller blades and/or skateboards are not permitted on the Rec Center Track.
3. The proper shoes are required (rubber or crepe soles). No dress or hard-soled shoes are allowed, as it will damage the surface at the Rec Center.

We have a new class for our youth. On Monday and Wednesday evenings from 7:00 – 8:00 we are offering a weight training class for all boys and girls ages 14 – 17. Class is designed to meet all levels of abilities from the beginner exerciser to the elite athlete. Come learn the proper way to lift weights, become stronger and become more fit. Class is free for pass holders and \$1 for non-members.

Youth Strength Training

We offer youth strength training and supervision to patrons 12 – 15 years of age. To participate in this program, participants must have a signed permission form on file AND have an orientation with the fitness coordinator. During the hours of:

Monday – Thursday afternoon, 3:00 p.m. – 5:00 p.m.
Youth that have met the fitness center's requirements may work out without parents. This is perfect for an after school activity.

Youth may also use the facility during our non peak hours WHEN DIRECTLY SUPERVISED BY A PARENT during the hours of:

Monday – Friday	8:00 a.m. – 10:00 p.m.
Saturday	3:00 p.m. – 8:00 p.m.

Gerhardt Civic Center After School Program

Monday - Friday

2:30 p.m. - 6:00 p.m.

Does your child come home from school to an empty house? Do you work long hours that don't allow you to be home when your child is there? Then consider the Civic Center Afterschool Program. The Gerhardt Civic Center offers afterschool childcare for children ages 6 -12 each day from 2:30 - 6:00 p.m. Research has shown that children who are left unsupervised during the after-school hours are more likely to have poor grades, and more likely to drop out of school before graduating than children involved in programs run by responsible adults. The Afterschool Program at the Gerhardt Civic Center offers children the opportunity to participate in team-building activities, crafts, games, and time to complete homework with assistance from staff if needed. Through funding provided by the State of Ohio, a snack is given each day. Children must be signed out by an approved guardian or parent. The program is free for Moraine residents and \$30.00 per week for non-Moraine residents; however, space is limited to 30 participants. This program coordinates with the Kettering Schools calendar. For more information, contact the Gerhardt Civic Center at 937-535-1095.

Frank Nicholas Before & Aftercare Program

The before and after school program at Frank Nicholas Elementary School is funded through the 21st century grant. This allows all Frank Nicholas students to participate in the program for no cost. Before school care begins at 6:00 a.m. and goes until the school day starts. After care begins as soon as the school day ends and goes to 6:00 p.m. Children receive a snack in aftercare everyday. Some of the activities that occur are homework help, math pentathlon games, speed stacking competitions, computer activities, and many other activities. All children attending Frank Nicholas Elementary School are eligible to attend; please speak to the Frank Nicholas School Secretary or Aftercare Coordinator for more information.
